ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:
SECRET GARDEN

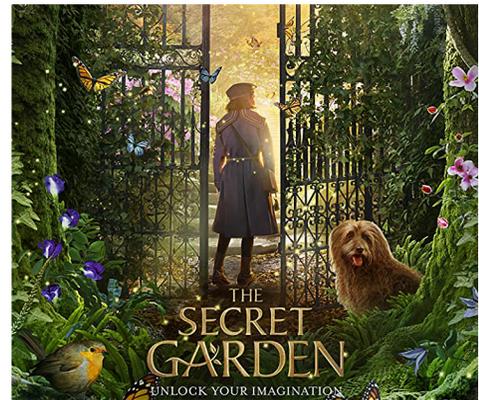

Our latest **USP Inspire** report blends **wild, overgrown vegetation** with **crumbling, historical interiors** to create a dark take on Victoriana.

Inspired by the new film interpretation of **Frances Hodgson Burnett's** classic 1911 novel *The Secret Garden*, set for release later this year, we explore how there is **magic** and **romance** to be found in nature.
