

UNIQUE **STYLE** PLATFORM
ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:
SAG HARBOR AUNT

Following on from Coastal Grandmother, a new mood has emerged that offers a more **eclectic, maximalist** take on seaside chic.

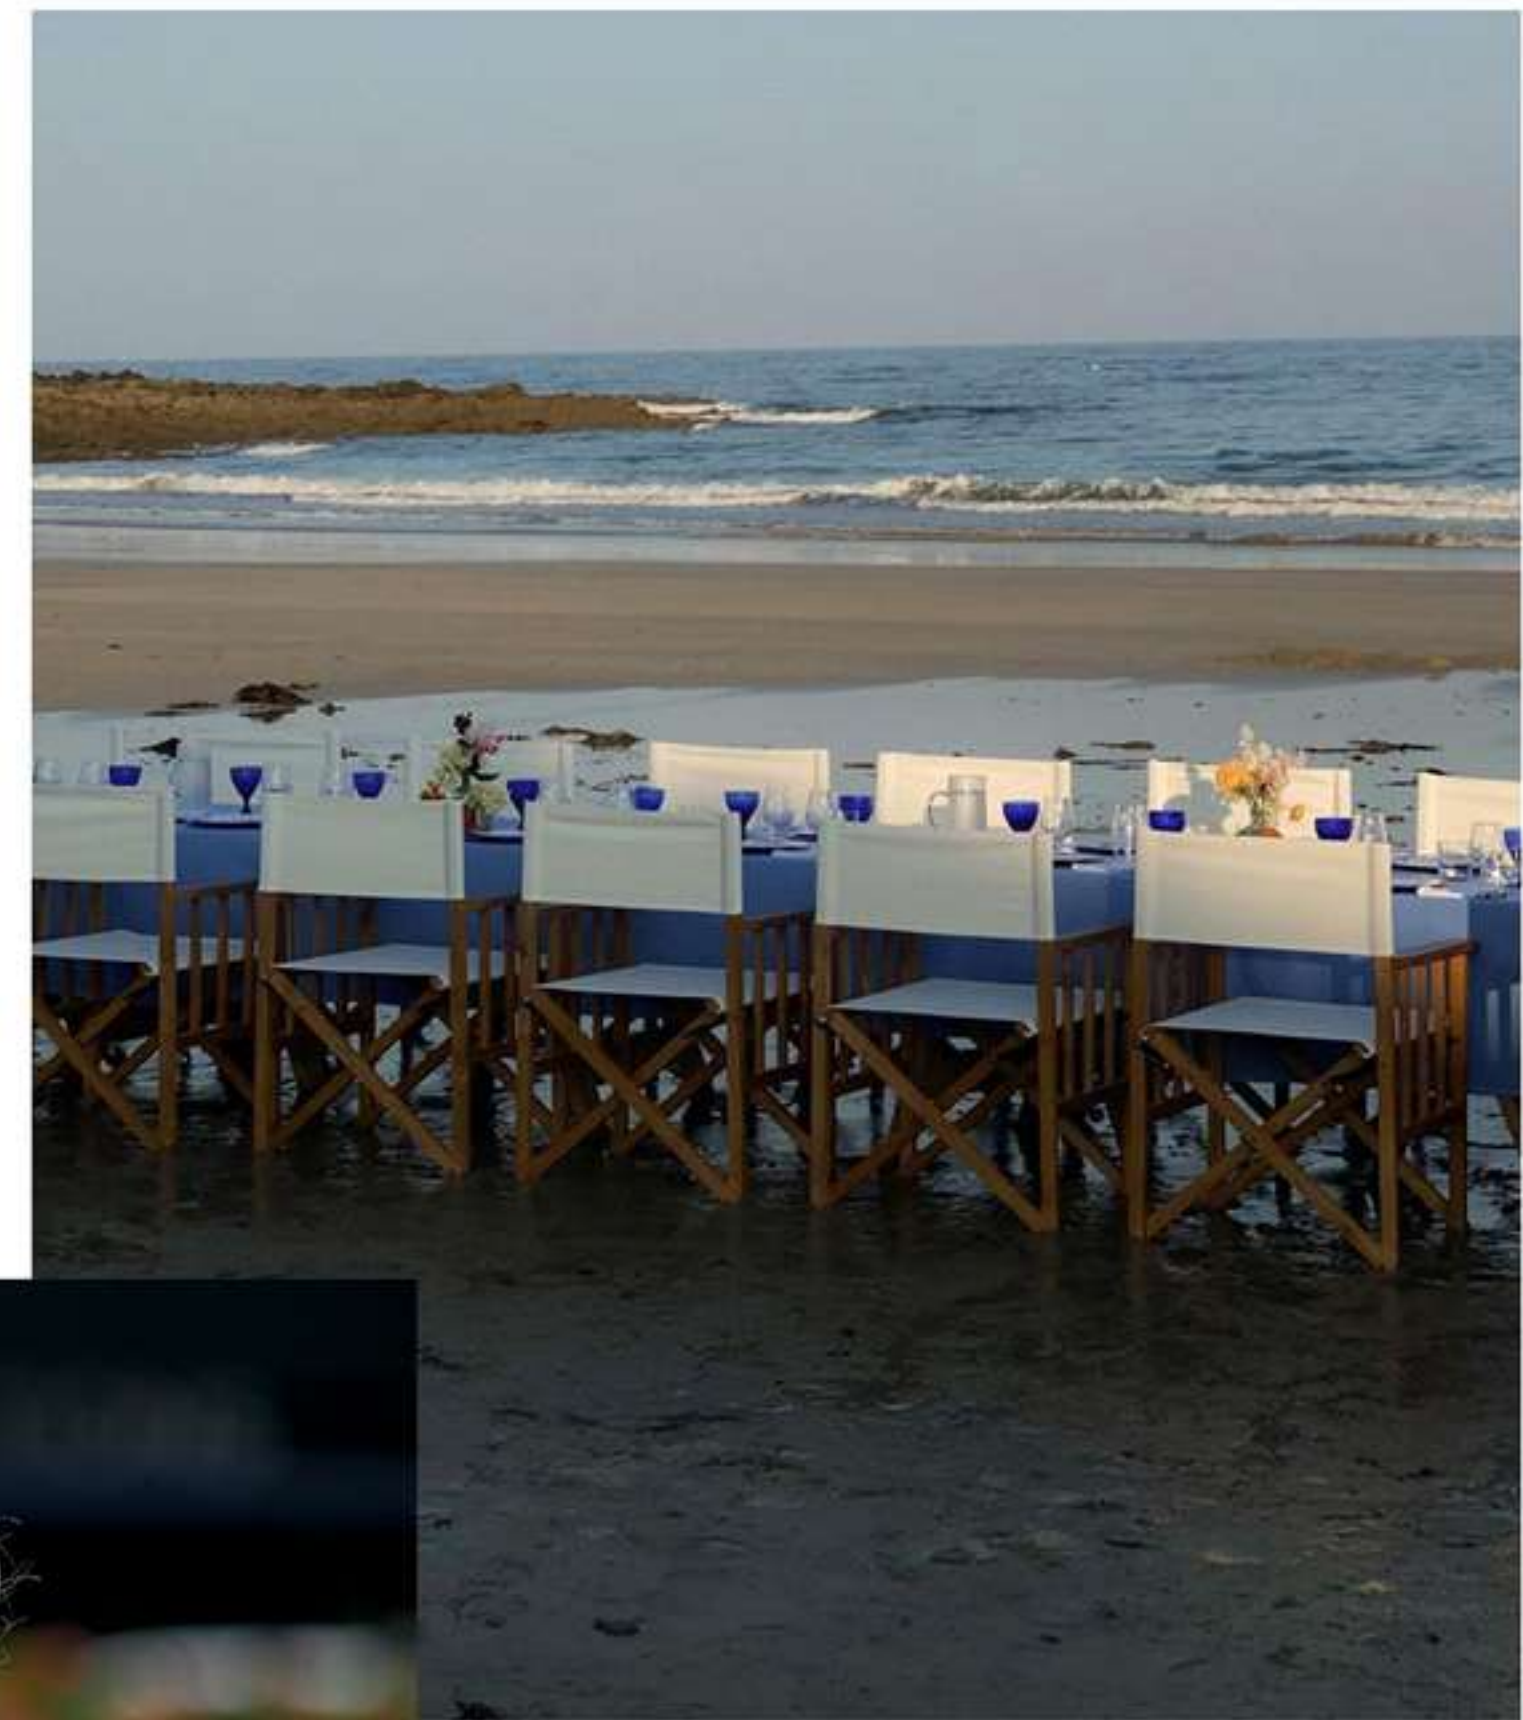

The '**Sag Harbor Aunt**' aesthetic went viral after a TikTok created by user **@luvblueberrychampagne** showed a video moodboard that included OTT accessories, battered Birkins, plenty of print and a 'more is more' approach to dressing and decorating.

Sag Harbor concept store **Matriark** sums up the eccentric aunt vibe perfectly, as does the Instagram account of fashion buyer **Lori Hirschleifer**.

The Sag Harbor home of designer **Bryan Graybill** was recently featured on *Architectural Digest*, offering an insight into his creatively curated and quirky home.
