

UNIQUE **STYLE** PLATFORM

ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:
DARK RELIGION

A **dark gothic** mood continues to influence fashion and lifestyle trends, with **religious symbolism** becoming increasingly popular.

New film, *Immaculate*, is a psychological horror set to be released this month. Starring **Sydney Sweeney**, it tells the story of an American nun embarking on a journey to a remote convent in the picturesque Italian countryside, which quickly devolves into a nightmare.

During fashion month, several fashion houses appropriately took to beautiful **gothic churches** to showcase their recent collections, with brands such as **Simone Rocha**, **Annie's Ibiza** and **Edward Crutchley** leading the way.

In interiors, a move towards eclecticism sees brands embrace historical aesthetics, such as homeware company **Bettina Ceramica** who celebrate traditional Italian ceramics, creating hand-made acquasantieras, as seen in home of tastemaker **Lucy Williams**.
