

UNIQUE **STYLE** PLATFORM

ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:
FANTASTICAL FEATHERS

Textural experimentation elevated the **rhythm** and **movement of colour** across the S/S 26 catwalks, taking flight through **feathers**, **sequins**, and **innovative recycled fibreglass**.

Dynamic and playful, designers such as **David Koma**, **Balenciaga**, **16Arlington**, **Bottega Veneta**, **PatBO**, **Mugler**, and **Stella McCartney** infused their collections with **whimsical**, **airy compositions** that transformed the runway into a study of **movement** and **lightness**.

This season, **Stella McCartney** collaborated with **Fevvers**, a **plant-based, cruelty-free feather alternative**, while **Mugler** embraced a **sensual, showgirl-inspired** aesthetic. **Bottega Veneta** reimagined **recycled fibreglass** into **tinsel-like fringes** and **structured yet fluid silhouettes**, accentuating **motion**, **fluidity** and **moving colour** on the runway.

USP: Innovative textural embellishments and **plant-based feather alternatives** infused collections with a sense of **whimsy** and **weightless movement**, accentuating **motion**, **fluidity** and **dynamic colour**.
