

UNIQUE STYLE PLATFORM
ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:
ECCENTRIC ARISTOCRAT

A fascination with the **aristocratic classes** continues, blending **heritage style** with a touch of **British eccentricity**.

Joan Collins is set to star alongside **Isabella Rossellini** in a biopic about **Wallis Simpson, Duchess of Windsor**, titled *The Bitter End*, due for release in late 2026. The pair appeared in a shoot for **British Vogue**, by photographer **Venetia Scott**, alongside an array of dazzling outfits and a pack of pugs.

Meanwhile, in reality TV land, the recent hit *Ladies of London* starred two genuine aristocrats, **Lady Emma Thynn, the Marchioness of Bath**, and the quirky **Lady Martha Sitwell** - complete with pet magpie.

In fashion, **Alessandro Michele's** turn at **Valentino** mixes history and glamour, while brands such as **Acne** apply off-beat styling to heritage checks and elegant silhouettes.

USP: Touches of bold colour and pattern, OTT accessories and quirky styling update a classic aristocratic look.
